POSH Mommy specializes in customizable, fashionable jewelry that fits the way you live – and celebrates the ones you love.

Definitely hip, with a hint of understated elegance, all discs, loops, and tags come in sterling silver and 14 karat yellow and white gold. A choice of chain is included, and you can even add birth dates and birthstones. How you customize your POSH Mommy jewelry is completely up to you.

So make a statement. Show your love. Have some fun.

discs

Who do you love?

Our most universal - and universally adored - design. Simple, clean, and fashionable, POSH Mommy discs are the perfect way to keep your loved ones close to your heart. Available in gold, silver and white gold.

squares

Square, but hip

Want to fit longer names or multiple names on one single pendant? Try this one-inch square! POSH Mommy squares offer the most real estate for the most names and birth dates.

tags

Tag. You're it

All we wanted to do was offer an alternative to our disc pendants. What we came up with was a bona fide fashion statement. Choose from mini or tall, birthstone or birth date. POSH Mommy tags have a look that's all their own.

mini dog tags

Small size, big meaning

The smaller versions of our dog tags are pretty and petite, yet still offer plenty of real estate to customize as desired. Don't let the cute look fool you- these little tags are sure to touch your heart.

tall tags

Simply striking

There's just something about these tall tags and their super-sleek design that's caught on like wildfire. Names are inscribed vertically, and you get your choice of birthstone. Wherever our tall tags go, compliments follow.

due tags

Our most expressive symbol

Understated? Yes. Sophisticated? You bet. Simply put, these due tag necklaces are a sincere and fashionable way to express the most important event in your life. Customized with the birthstone of the expected month, you've just found the perfect accessory for a most amazing journey.
