

about POSH Mommy

POSH Mommy offers luxurious, everyday jewelry for mummies with style. The collection's engravable discs, loops, squares, mini dog tags, tall tags and bracelets are made in sterling silver, gold, white gold, and even rose gold. They can be customized with a birthstone and backstamped with dates or messages. Business-savvy coupled with fashion by owner Ali Krebs, POSH Mommy has become the staple accessory for moms from Hollywood and beyond: Brooke Burke, Kimberly Quaid, Milla Jovovich, Garcelle Beauvais and others are fans. Available in over twenty-five retail boutiques and many more online, POSH Mommy gives moms the chance to show off their kids in style, whether they're at the playground or out for date night.
