

# HOLIDAY 2010

## PEACE, JOY and POSH!

If you like our original POSH loops, we're sure you'll love our new "WEE" loops and "FOREVER" loops! The adorable WEE loop is just a bit smaller than the original POSH loop and can work with 2 or more (shown above.) The largest FOREVER loop is ideal for multiple names or words. But even more so, the FOREVER loop makes a statement. We're sure this will be our most popular request this season. Fa la la la la, la la la la!
